

## **CERTIFICATE**

Rousselon Dumas-Sabatier herewith declare to follow the  
European Directives & European Standards  
for cutlery and kitchen knives

1. European Standards & Directives

**Regulation (EC) N° 1935/2004** (repealing Directives 80/590/EEC and 89/109/EEC).  
Materials and articles intended to come into contact with food, in particular article 3 (Migration).

**EN ISO 8442** Materials and articles in contact with foodstuffs – Cutlery and table hollowware.  
**Part 2.** Requirements for stainless steel and silver-plated cutlery.

**NEN EN 10088** Stainless steels – **Part 1:** List of stainless steels

All stainless steel products are suitable to be in contact with foodstuff, according above standards.  
The following specifications are used in accordance:

For knives	EN 1.4116N
	EN 14C28N
	EN 1.4116 (X50CrMoV15 (X45CrMoV15))

Other materials which can be used should comply with above minimum specifications / tolerances.

2. Company Audits

Business Social Compliance Initiative –**BSCI**- The **BSCI** (which now includes the **AVE** – Foreign Trade Association –**FTA**- of the German Retail Trade) is the European approach to improving social performance in supplier countries through a uniform social standards monitoring solution for retail, industry and importers.

**Rousselon Dumas-Sabatier takes initiative** to have suppliers audited by **CSCC** based on this Code of Conduct and Social Standard (**BSCI**), to improve and support the human working conditions and circumstances.

**CSCC** (Cal Safety Compliance Corporation) is an original certified monitoring body (<http://cscc-online.com>).

A copy of the relevant audit-result can be given on request. Business Social Compliance Initiative (**BSCI**) Code of Conduct, is an initiative of the **Foreign Trade Association** (FTA).
