

H.W. Larsen & Sønner A/S
Baldersbækvej 8 A
2635 Ishøj
DENMARK

Declaration of conformity with the EU regulation number 1935/2004

We hereby certify that the following products delivered to H.W. Larsen & Sønner A/S meet all requirements of the EU Regulation No. 1935/2004 of the European Council and the European Parliament of 27 October 2004 due to the material composition:

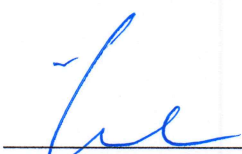

Product	Name	Materials
12507	Skimmer fine	stainless steel AISI 304

In particular, it is ensured that

- the material is sufficiently inert that no substances in quantities hazardous to health are transferred to foodstuffs
- no active or other new materials are used.

Due to the material properties, the above products are to be classified as food safe in the sense of EU Regulation 1935/2004.
