

DECLARATION OF CONFORMITY ON FOOD CONTACT REGULATIONS
--

I, undersigned, Mr Lionel RAYNAUD, acting as President of FISCHER BARGOIN Company, certifies & declares that the following products:

- **Knives, sharpening steels, cheese wires, dividers / garnishes, plastic trays and cutlery items (cleavers, choppers, hooks, fish scalers, protective gloves, scissors...), band saw blades, sharpening tools (Redsteel...) & food preparation tools (steak formers, spatulas, brushes ...)**

Are in compliance with the following texts:

- French law from January 13th 1976 (published on the official board on January 31st 1976) for material made of stainless steel to be in contact with food
- Regulation 1935/2004/EC from October 27th 2004
- Regulation 2023/2006/EC from December 22nd 2006 modified, regarding manufacturing process for materials and tools destined to be in contact with foodstuff
- French current law regarding materials & items in contact with foodstuff, Decree 2007-766 from May 10th 2007, modified by decree 2008-1469 from December 30th 2008
- Regulation (EC) N°10/2011 of Commission from January 14th 2011 regarding materials & items to be in contact with foodstuff, as well as its amendments in force.

The products listed below, in normal & foreseeable uses are suitable for contact with all food types.

In any cases :

- The conformity is applied under conditions of regular storage, handling & use taking into consideration the particular specificities of raw material, conditions respecting the professional usages.

- In case of modification of the packed product, of its composition or its destination, as well as in case of changes of modification for conditions of use of material, the recipient of this declaration must check the compatibility for whom he must take the full responsibility.

This declaration is valid for a period of 5 years. It must be renewed in all cases where compliance with the above is no longer guaranteed (renewal trials, change of material, technological change, changes in regulations).

This declaration is made under Article 16 of Regulation 1935/2004 / EC and the amended decree 2007-766.

Thiers,
July 11th 2018
